PRESS RELEASE

June 9, 2010

Beginning in July 2010, the Ellington Public Works Department is in the planning and scheduling stage for the reconstruction of the following streets:

Cliff Street
Orchard Street
Walnut Street
North Park Street

Reconstruction will consist of repairing and upgrading storm drainage, reclaiming existing asphalt and base materials, grading and constructing a consistent 22 foot wide road, repaving, reinstallation of curbing, restoration of grass in disturbed areas and repaving driveway aprons.

The Ellington Public Works Department is also planning to do an asphalt overlay on the following streets:

Francis Avenue
Hilltop Drive
Hilltop Drive Ext.

Any questions, please contact our department by phone 860-870-3140, e-mail publicworks@ellington-ct.gov or by mail. We appreciate the public's cooperation with any traffic delays that may occur.
